

Iowa City Ambulatory Surgical Center

The Iowa City Ambulatory Surgical Center, LLC is a joint venture between a multispecialty group of surgeons (including SOC surgeons) and Mercy Hospital. It is a state of the art facility providing qualifying outpatient surgical services. The center, which opened its doors in October of 2008, is fully equipped with four operating rooms. It is conveniently located just off Interstate 80, just down the street from the Steindler Orthopedic Clinic.

The Iowa City ASC is committed to provide the highest standard of orthopedic surgical care in a professional, compassionate and considerate manner specific to the individual needs of our patients. Please ask your surgeon if your case qualifies for the Iowa City ASC.
